# Project Spotlight

Axent has recently developed and installed a video scoreboard system for Xavier College, a high profile school in Kew, Melbourne.

Xavier College has welcomed the new scoreboard as a focal point of the school grounds. The scoreboard software developed by Axent allows the college to run various scoreboards for football, cricket and soccer (to name a few).

### Video Scoreboards

Axent's range of Video Board System is ideal for all indoor and outdoor sports including football, cricket, basketball, swimming and netball. Our Video Board System come in a wide variety of resolutions and sizes and can be custom designed to suit your requirements and budget.

The cabinets are placed together side by side and stacked on top of each other to make the desired screen size. The first cabinet has the incoming connection from the control system coming in then it outputs to the next cabinet. The cabinets are daisy chained together with power and communications thus making it very easy to assemble on site.

- Indoor and outdoor models
- Large range of sizes from 3 x 2 to 10 x 7 meters
- LED Board pitch ranging from \_ to \_mm
- Various controllers including PDA, PC or SMS
- Allows for up to 8 media inputs such as video, audio, STB, DVD etc.
- Water-resistant
