Solutions for Life.™

Project Spotlight

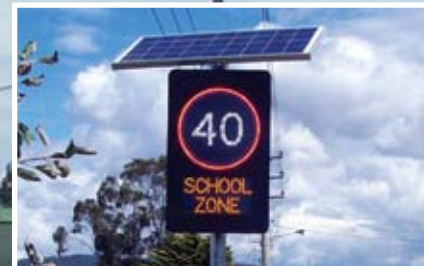

Axent has recently completed a school zone signs system for Tasmania.

The signs will be installed at 200 school zone sites around Tasmania and will be controlled by a web based software system.

The signs are controlled by GPRS communication and mains powered.

 Product and Specification Sheet Number (Search via specification sheet # at axent.com.au)

+12v 40 Watt Solar Panel

Axent's high efficiency 45 Watt Solar Panels use a photovoltaic module using silicon nitride multicrystalline cells. These panels provide value for money and industry ready performance.

- 5 year limited warranty on materials and workmanship
- 25 year limited warranty on 80% output
- 12 year limited warranty on 90% output

 STP040-12

+12v 65 Watt Solar Panel

Axent's high efficiency 65 Watt Solar Panels use a photovoltaic module using silicon nitride multicrystalline cells. These panels provide value for money and industry ready performance.

- 5 year limited warranty on materials and workmanship
- 25 year limited warranty on 80% output
- 12 year limited warranty on 90% output

 STP065-12

+12v 80 Watt Solar Panel

Axent's high efficiency 80 Watt Solar Panels use a photovoltaic module using silicon nitride multicrystalline cells. These panels provide value for money and industry ready performance.

- 5 year limited warranty on materials and workmanship
- 25 year limited warranty on 80% output
- 12 year limited warranty on 90% output

 STP080-12

+12v 125 Watt Solar Panel

Axent's high efficiency 125 Watt Solar Panels use a photovoltaic module using silicon nitride multicrystalline cells. These panels provide value for money and industry ready performance.

- 5 year limited warranty on materials and workmanship
- 25 year limited warranty on 80% output
- 12 year limited warranty on 90% output

 STP125-12

+12v 110aH Battery
