Overview

Axent's Football Scoreboard Kit is ideal for all fixed or portable scoreboard requirements. Each required kit ships with all required components or can be installed by Axent for an additional install fee.

The Football Scoreboard Kit ships with all LED modules, aluminium waterproof scoreboard cabinet & module housing with ready to go mounting spaces for LED modules, and all electronics including power supplies and connection leads.

Controlling of the scoreboard is via a kit standard hard-wired controller (see above right) or optional hand-held PDA (Wi-Fi).

Kit Standard Hard-Wired Control

**** All scoreboard kits ship with easy to follow installation guide and user's manual with screen shots.**
