

# LED MATRIX BOARDS

## Overview

Axent's range of LED matrix modules are ideal for all full matrix display requirements. Our matrix modules are available in a wide variety of resolutions, colours and sizes and can be custom designed to suit your requirements and budget.

Axent matrix modules can be used in a variety of situations including road traffic products, scoreboards (indoor or outdoor), advertising and information for events and promotions, variable message signs and electronic billboards to name a few.

For further information on our matrix boards visit us at [axent.com.au](http://axent.com.au) or contact us via our toll free number **1800 880 030**

**INDOOR & OUTDOOR MODULES AVAILABLE**
